WHY RECRUIT FROM COEP ?

OUR APPROACH

At COEP Technological University – Department of Management, we have implemented the **Talent Alignment Framework** to holistically assess the professional readiness of our MBA students and are allocated scores on basis of the parameters mentioned in the following graph. This innovative scoring system goes beyond academic performance, evaluating key competencies that are critical for success in the corporate world.

Industry Expert Sessions:

These sessions provide valuable insights and real-world knowledge, bridging the gap between academic theory and practical industry applications.

Consulting Services:

Consulting services deliver tailored solutions and strategic guidance, helping organizations navigate challenges and achieve their business objectives.

Live Projects:

Live projects offer hands-on experience, allowing students to apply classroom learning to real business challenges, enhancing their practical skills.

- Psychometric Tests
- Self Evaluation
- Assessment
- SWOT Analysis
- Acknowledging ourselves
- Societal Approach

- One on One Analysis
- Self Confidence
- Transforming
- Keen Observation
- Professionalism

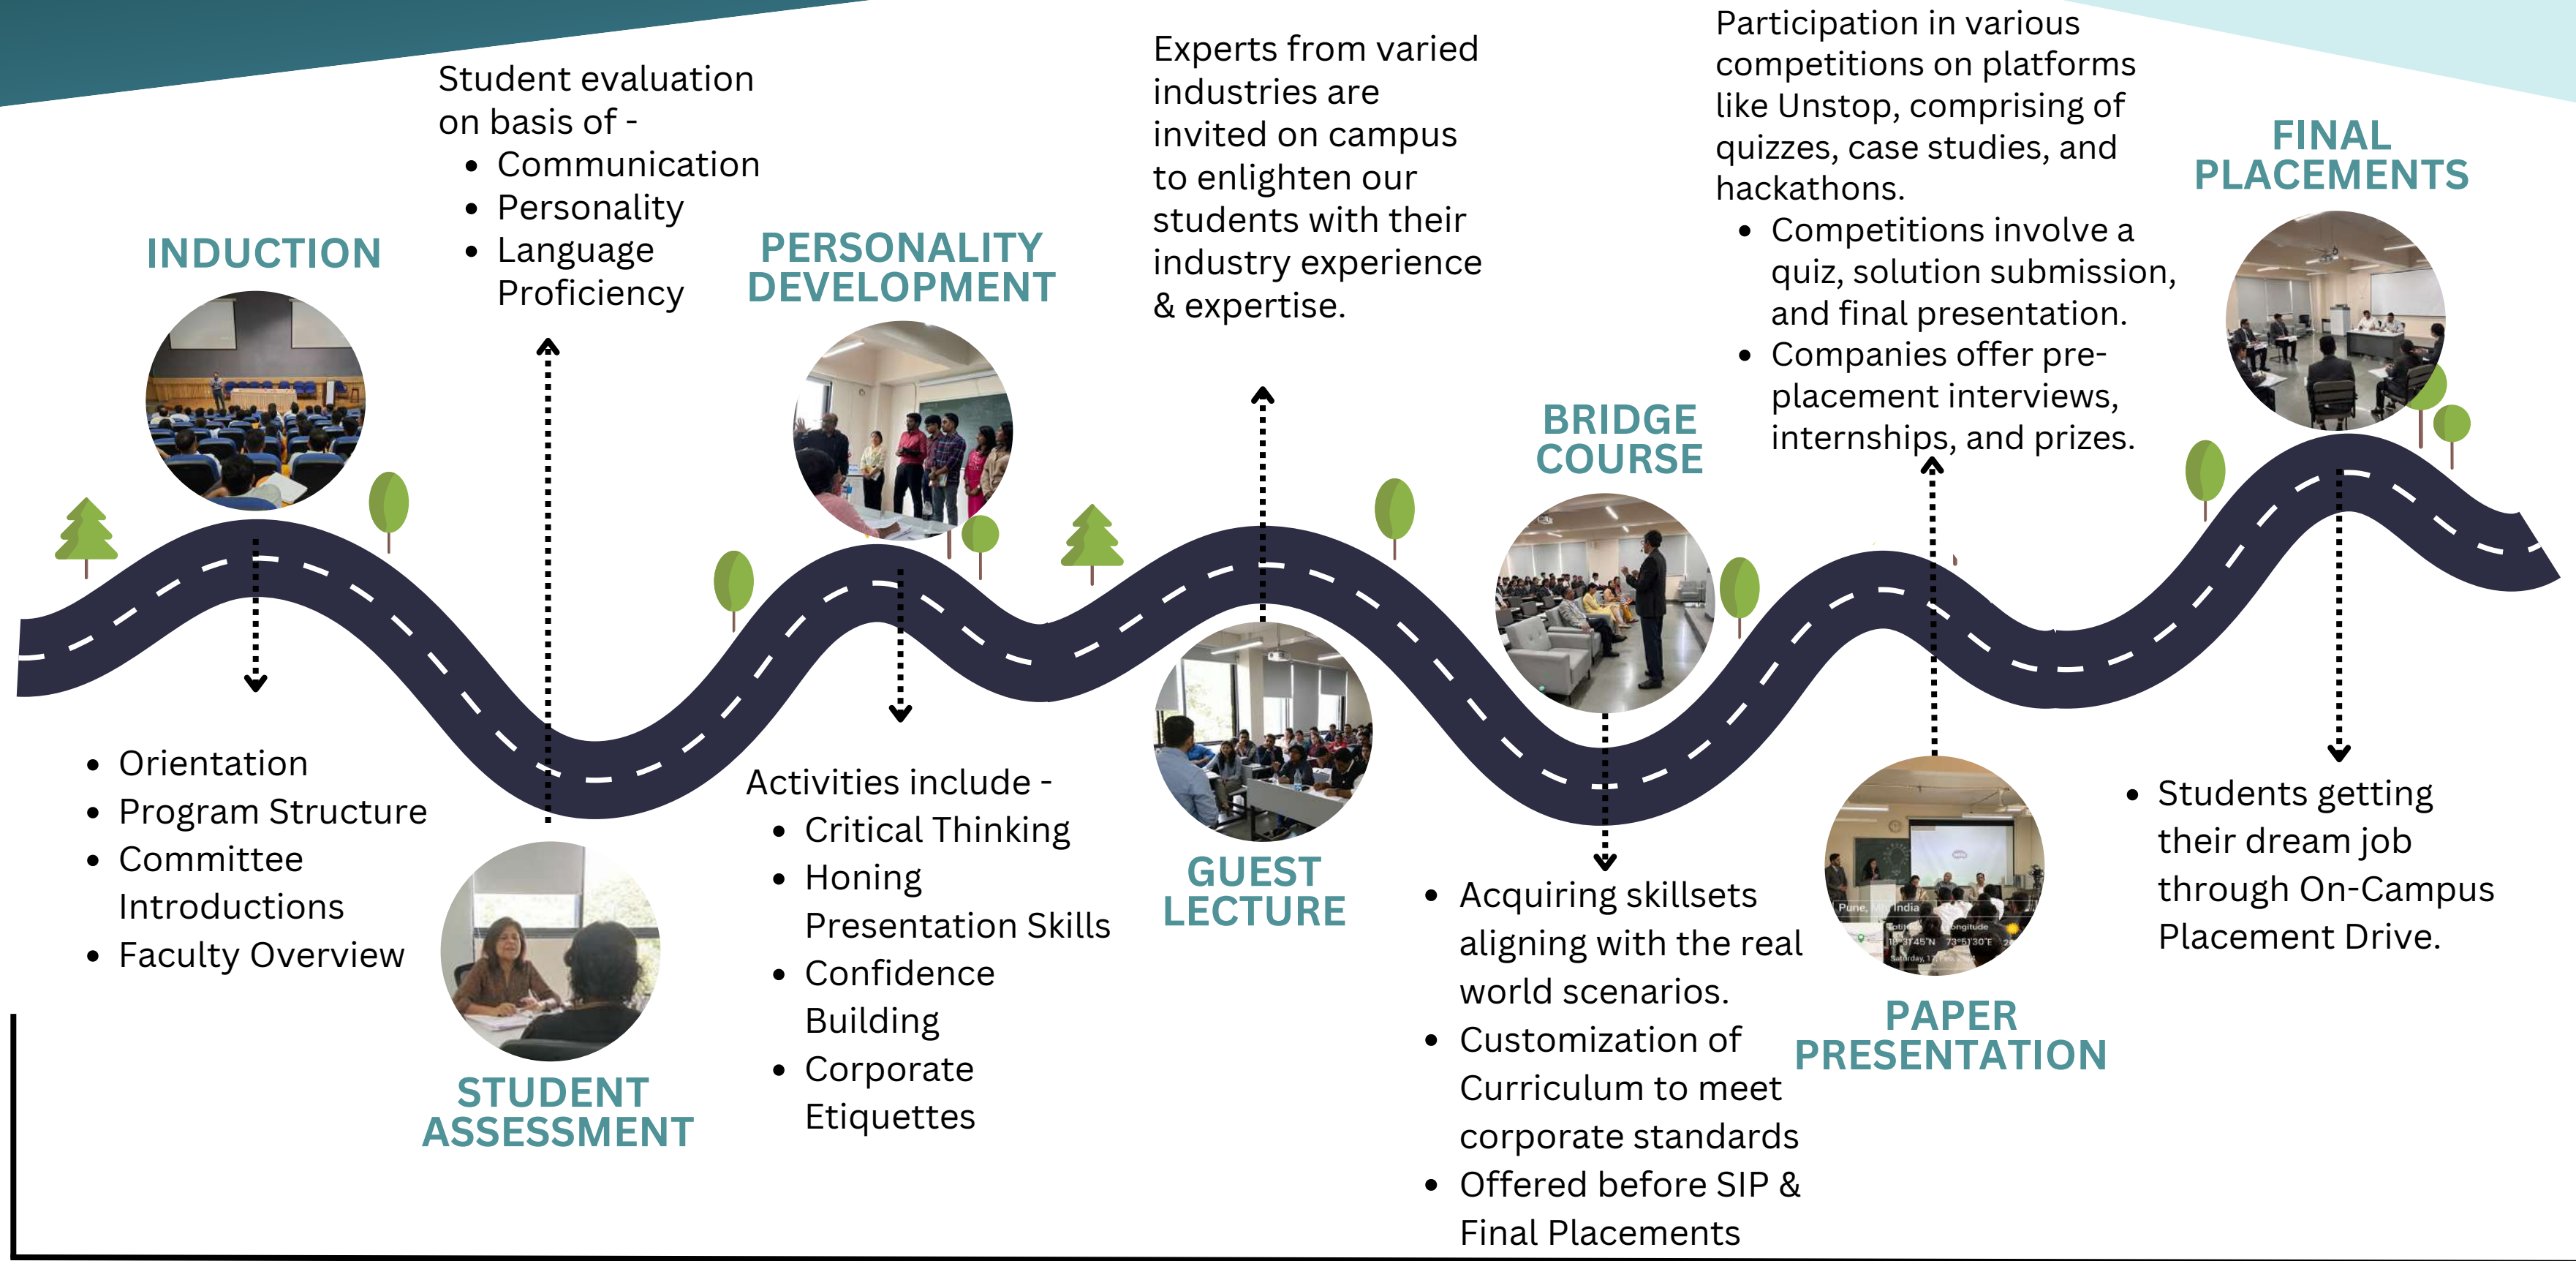

OUR METHODOLOGY

TAS is designed to measure a wide range of skills, including professional experience, engagement in extracurricular activities, and practical competencies. By assessing these areas, we ensure our students are well-prepared to meet industry demands and excel in their careers

IMPORTANCE AND BENEFITS

TAS objectively measures a candidate's career readiness, ensuring graduates from COEP Technological University's Management Department are not only academically strong but also equipped with practical skills and professional experience, making them industry-ready from day one.

STUDENT ROADMAP

Students at COEP Tech MBA Department engage in **Certifications, Research Papers, and Live Projects** throughout their academic journey.

Overview

We offer 2 year Full-Time MBA Program in the domains of

- General Management - Finance
- Business Analytics

We started with Operations, Marketing, HR and Finance from academic year 2024-25.

Students are encouraged to take up live projects with startups at our incubation center, BHAU Institute during their first semester which give them hands on experience over conceptual knowledge and a clear picture of how an organisation function.

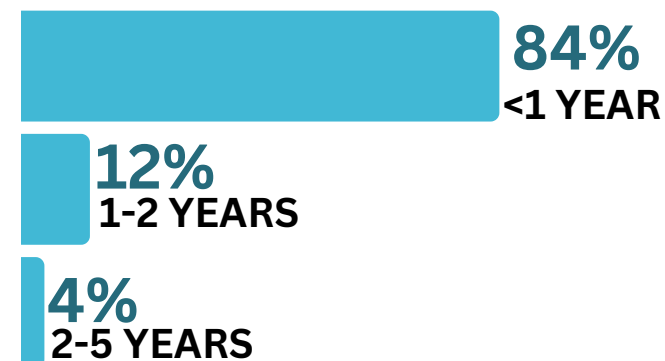

Two month Summer Internship Program after the completion of second semester. For current academic year, it is scheduled between 15th May to 15th July 2024.

Synopsis

The College of Engineering, Pune (COEP) has a long history that includes:

VISION

Empowering Visionaries, Transforming Leaders:
Shaping the Future of Business Excellence at
COEP Technological University.

MISSION

- Foster academic excellence through a curriculum that blends theory with practical insights.
- Cultivate ethical leaders with leadership skills, critical thinking, and strategic decision-making through hands-on learning and industry exposure.
- Strengthen ties with industry leaders to bridge the gap between academia and the corporate world.
- Instill a global mindset, emphasizing cultural diversity, ethics, and social responsibility in graduates.
- Promote holistic development, focusing on academics, personal growth, communication, teamwork, and emotional intelligence for well-rounded success.

Message From

Prof. Sunil Bhirud

VICE CHANCELLOR,
COEP TECHNOLOGICAL UNIVERSITY, PUNE

Greetings and a warm Welcome from COEP Tech!

Stellar accomplishments continue to advance the frontiers of knowledge and scholarship every day. In this era of globalized education, the clear emphasis is on the quality of education.

As COEP Tech works diligently to realize its mission of providing the best learning, teaching and research opportunities to students and academicians alike, it continues to nurture students with the basics of modern knowledge and high values. The research activities by our faculties, lead to enrichment of the experience of our students that is realized at both the undergraduate and postgraduate levels. Our students experience the joy of discovery, develop inquiry and communication skills, and cultivate creativity through domestic and international collaboration and competition.

COEP Tech values academic freedom, encourages cultural diversity, and is a top-tier institute with a 169-year legacy of excellence, breakthroughs, and innovation. I would ask you to take advantage of this great opportunity and join us in our endeavor to actively contribute to the overall improvement of this increasingly globalized society.

Dr. Sandeep Meshram

DEAN AND HOD
(SCHOOL OF TRANSDISCIPLINARY
SCIENCES & MANAGEMENT)

On behalf of COEP Technological University, we warmly welcome your esteemed organization to join our upcoming Placement Drive. Our commitment to academic excellence and holistic student development lies at the heart of our educational philosophy.

We take pride in cultivating talented, skilled, and creative individuals who are valuable assets to your organization. Our committed students are prepared to contribute to your organization's growth, bringing fresh ideas and perspectives. As future leaders, they embody the potential, enthusiasm, and dedication your organization seeks.

We are thrilled to connect you with our talented management professionals through our Placement Program, designed for a smooth and mutually beneficial experience. It goes beyond recruitment—initiating a rewarding partnership to create success stories and foster innovation for both our students and your organization.

Dr. Arun Mudbidri
PROFESSOR OF PRACTICE

Prof. Kanad Deshmukh
PLACEMENT
CHAIRPERSON

I, Dr. Arun Mudbidri, Professor of Practice at the Department of Management Studies, COEP Tech, and Former Director, SIBM Pune, would like to invite your esteemed organization to participate in our upcoming MBA placement drive.

COEP MBA has a legacy of producing dynamic professionals who excel in diverse industries. Our students, known for their strong analytical skills, innovative thinking, and adaptability, are well-prepared to meet the challenges of the corporate world. As the Professor of Practice at COEP Tech's MBA program, I am thrilled to extend an exclusive invitation to your esteemed organization for our upcoming placement drive.

We believe that your organization, known for its commitment to excellence and innovation, will find the caliber of our students aligning seamlessly with your recruitment needs. Your presence at our placement drive will not only provide exciting career opportunities for our students but also contribute to the success story of COEP MBA.

We at our department creates values for corporates and society at large.

Greetings from the Department of Management Studies!

At our institute, we believe in nurturing talent that aligns seamlessly with industry needs, fostering a pathway to sustainable employment for the evolving business landscape. Our students are equipped not only with a strong academic foundation but also with the skills necessary to be adaptable, innovative, and ready for the challenges of the real world.

We emphasize creating long-term value by cultivating competencies that go beyond immediate requirements, preparing our graduates to grow alongside the organizations they join. By instilling practical knowledge, problem-solving abilities, and leadership qualities, we aim to contribute to sustainable workforce solutions, providing professionals capable of making meaningful and lasting impacts.

"ॐ सह नावतु। सह नौ भुनक्तु। सह वीर्यं करवावहै।"

(May we be protected together, may we be nourished together, may we work together with great energy.)

We look forward to building a strong and lasting partnership with your organization.

Department At a Glance

Established in 2020-21, The department has grown by leaps and bounds and is poised to make a mark in management education. One of its key strengths lies in its exceptional faculty, comprising of experienced industry professionals and research scholars. The department places a strong emphasis on producing business leaders for tomorrow's generation. Therefore, we foster student driven environment under the supervision of COEP Tech's leadership.

Our belief of adding values to corporate world and society drives us to take initiatives like Knowledge Resource Centre for HR professionals across industries, preparing value papers for corporate challenges, fostering knowledge sharing through Self Help Groups (finance). Seeing the trajectory so far, we take pride to mention that both the previously passed batches are doing well with their recruiters. We love to be generous and therefore we add values to our alumni by constantly engaging with them under the initiative of Alumni Engagement Centre.

We position our department before corporate community as their reliable partner in addressing the business challenges and as a key driver for innovations to uphold the society.

(Left to right - Dr. Shilpa Kankaonkar, Ms. Sunita Bangal, Mr. Kanad Deshmukh, Dr. Sandeep Meshram, Dr. Arun Mudbidri, Ms. Suvarna Gavade, Ms. Sanchita Thanedar)

Message of Gratitude

We extend our heartfelt gratitude to our esteemed recruiters, alumni, and stakeholders for your unwavering support and continued partnership with the COEP Tech MBA Placement Program. Your trust in our students' potential and your valuable collaborations have played a pivotal role in shaping their careers and driving their success.

Your commitment to providing opportunities, mentorship, and guidance inspires our students to strive for excellence and become future-ready professionals. We look forward to strengthening this partnership and creating more success stories together in the years to come.

Thank you for being an integral part of our journey.
