# SYNOPSIS

COEP Technological University is a unitary public university of the Government of Maharashtra, situated in Pune, Maharashtra, India. Established in 1854, being one of the oldest colleges in India it has produced many notable alumni like Rajiv Bajaj (Bajaj Auto), Laxman Narasimhan (CEO of Starbucks), Vijay Kelkar (Advisor to Finance Minister, Government of India), Gaur Gopal Das (lifestyle coach) and many more.

COEP Tech is known for its high academic standards, with a focus on imparting comprehensive knowledge in various branches of Engineering, Allied Sciences and Management. COEP offers undergraduate, and postgraduate programs in Engineering, Technology and Management Studies. Strong industry partnerships provide students with practical experience, internships, and placement opportunities.

The vibrant campus offers diverse cultural and sports activities, with opportunities for students to engage in clubs, events, and competitions. The strong alumni network includes accomplished engineers, entrepreneurs, and business leaders

# Department – At A Glance

---

Established in 2020-21, The department has grown by leaps and bounds and is poised to make a mark in management education. One of its key strengths lies in its exceptional faculty, comprising of experienced industry professionals and research scholars. The department places a strong emphasis on producing business leaders for tomorrow's generation. Therefore, we foster student driven environment under the supervision of COEP Tech's leadership.

Our belief of adding values to corporate world and society drives us to take initiatives like Knowledge Resource Centre for HR professionals across industries, preparing value papers for corporate challenges, fostering knowledge sharing through Self Help Groups (finance). Seeing the trajectory so far, we take pride to mention that both the previously passed batches are doing well with their recruiters. We love to be generous and therefore we add values to our alumni by constantly engaging with them under the initiative of Alumni Engagement Centre.

We position our department before corporate community as their reliable partner in addressing the business challenges and as a key driver for innovations to uphold the society.

# The Boat Club at COEP Tech

The boat carrying Lokmanya Tilak belongs to The Boat Club of COEP Tech.

Shri S D Limaye,(past student of COEP, & Chairman of Pune centre of IIBE) he mentions about his Grand Father.

Shri Limaye writes,

“From this photo I remember one incidence told to me by my grandfather R S Limaye who passed out from the college in 1908. When in college he and his four friends went to Lokmanya Tilak and sought his blessing for the group as they were contemplating leaving the college and joining the Freedom Struggle. Lokmanya gave them a sane advice to continue with the education as it will be immensely useful in Development of Independent India.

What a foresight!!”
