Bachelor of Planning, COEP Tech, Pune

ADMISSION OPEN F. Y. B. PLANNING A.Y. 2025-26

BACHELOR OF PLANNING

Bachelor of Planning is an undergraduate degree program that prepares professionals to plan and manage land use, infrastructure, and urban development, with a focus on sustainable and strategic growth. It broadly covers domains such as Urban Planning, Environmental Planning, Transportation, and Public Policy.

“Join a Tradition of Excellence”...

COEP Tech, Pune, is Asia's third-oldest institute. It is one of the pioneering institutes in Planning education and the only institute in Maharashtra to offer the B. Planning program since 2012-13. This program is approved by the AICTE (Government of India) and the DTE (Government of Maharashtra), and is also recognized by the Institute of Town Planners, India (ITPI).
