## Announcement of Internship opportunity for Software Development

About the project:

Through the CSR initiative to support the "**Virtual MathLab Project**" at COEP Technological University, Pune, we wish to announce the internship. This internship opportunity will be utilized to develop a comprehensive **mathematics question bank by the interns.** Interns will play a key role in the project by designing and programming new examples for the question bank. For any questions, please contact Prof. S.D. Agashe, the Principal Investigator, at sda.instru@coeptech.ac.in

**Terms and Conditions:**

1. **Qualification:**

| Sr. No. | Designation | Required qualification | No of Posts |
|---|---|---|---|
| 1. | Intern for Software Development | Any student of engineering, science and allied discipline with sound background of programming and Math's. Prior knowledge of basic software programming language (Java, Python etc.) will be an added advantage. | 25-50 |

2. **Duration:** Till March 2026
3. **Mode of Internship:** Hybrid (Online and for discussion offline)
4. **Process of Selection:** Written test and the Interview
5. **Internship allowance:** The interns will be paid based on number of examples completed and uploaded on the server after moderation. The interns may choose to either design the question, develop program for creating the code for question bank or both. Per variation for design Rs. 200/- will be paid and Rs. 500/- for developing code will be paid.

Please visit and submit your application at **https://portal.coepvlab.ac.in/vlab/auth/career** on or before September 19th, 2025.
