Nurturing Brilliance

AY 2025-26

Nurturing Brilliance

Objective :

To assist socio-economically challenged, meritorious students from the local communities towards Degree / Diploma education

Vision :

Enable scholars from disadvantaged backgrounds to have an opportunity to Aspire, Dream and be responsible citizens

Mission :

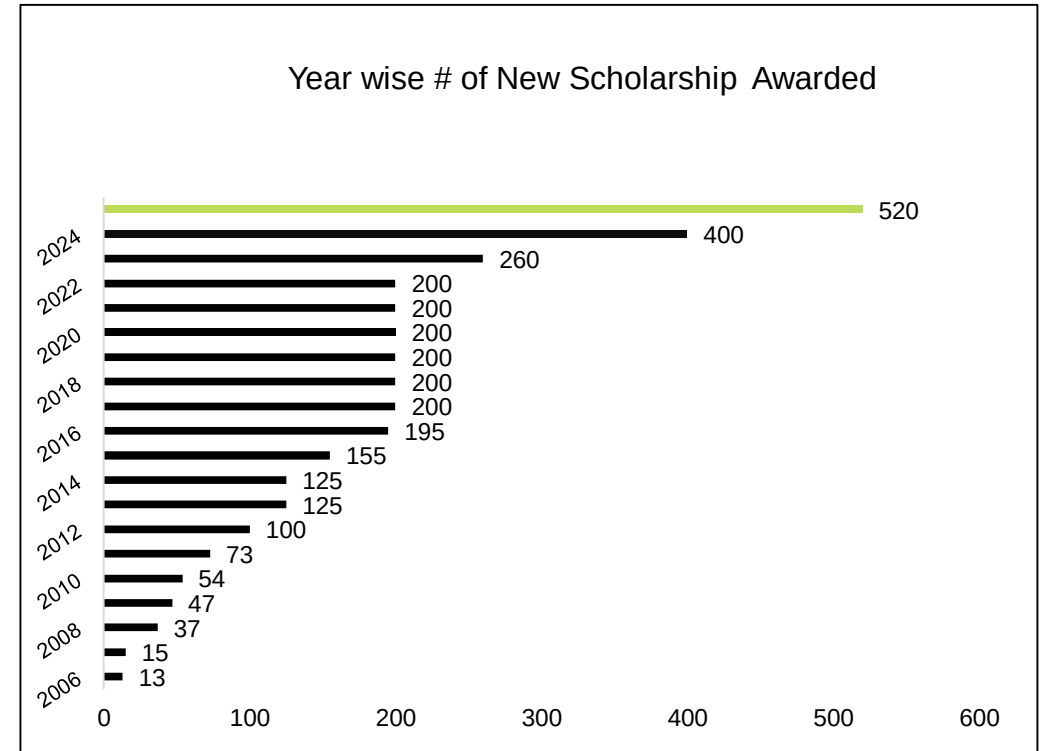

Have a structured, sustainable, scalable process that allows us to create a leverage for greater impact

Our Journey

Our Journey

- Launched in 2006 with just 13 students from Pune;
- Program Reach: Available near Cummins plant locations (Pune, Jamshedpur, Ahmednagar, Indore, Phaltan) and Aspirational Districts (Vidisha, Guna, Ranchi, Osmanabad).
- Inclusive & Diverse: We select 60%+ girls and 70%+ students pursuing degree programs
- Impact: 400 students were selected in FY 2024–25, with approximately 2,600 beneficiaries supported to date. In FY 2025–26, the plan is to choose 520 students

Nurturing Brilliance – Students' Testimonials

I am extremely grateful for the support provided by the Cummins Scholarship. This scholarship allowed me to focus on my academics without financial stress, ultimately helping me secure a job in IT company (**Tech Extensor Ahmedabad**). The Soft skills course improved my English, communication skills, and overall personality development.

Thanks & Regards,
Shivani Bhadoriya, Indore Scholar
2022 – 2025 batch.

The scholarship not only eased my financial constraints but also empowered me to focus entirely on learning, skill development, and personal growth. The confidence and motivation I gained through this program helped me excel in academics and develop problem-solving, teamwork, and leadership skills, which played a crucial role in securing my placement at **Atlas Copco**.

Best Regards,
Apurva Malode - CCEW, Nagpur
2021 - 2025 Batch

I am also profoundly grateful to my mentor, **Mr. Prakash S. Yadav sir**, for his invaluable guidance and support during my graduation. His mentorship played a pivotal role in enhancing my soft skills and shaping my professional journey. I am currently working with **ETCS Inc. A USA-based automotive company** in Bengaluru.

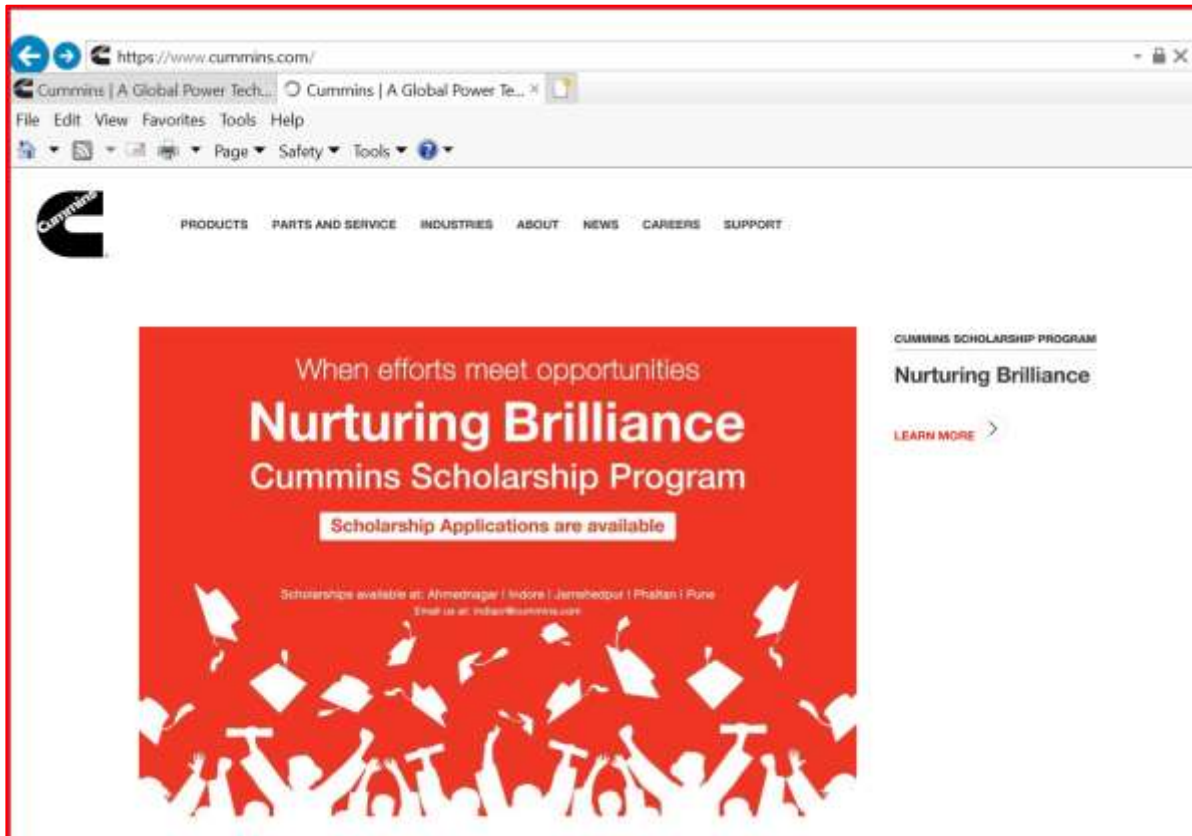

Looking ahead, it would be a great honor to contribute to Cummins in the future.

I deeply admire Cummins' commitment to excellence, innovation, and creating a lasting impact.

Warm Regards,
Raj Kumar, Jamshedpur scholar
2021 - 2024 Batch
