| <u>Agenda 10.1</u>     | <b>To approve the results and list of Post Graduate students of the graduating batch 2024-25 (admitted in AY 2023-2024) for both faculty of Engineering and Management.</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                  |
|                        | Dr. Mrs. Yashodhara Haribhakta, Director, Board of Examination and Evaluation presented the result analysis and mentioned that in the academic year 2023-24, for the faculty of Engineering, in the 26 specializations of M. Tech 363 students were admitted. Out of which, 271 students graduated in the year 2024-25, resulting in a success index of 75%. Similarly, in the academic year 2023-24, for the Faculty of Management, 93 students were admitted in 02 specializations of MBA. Out of which, 87 students are graduated having a success index of 94%. The average CGPA of M. Tech students was 7.96, while for Management students is 7.82. Some students in the Engineering faculty were given a 2-months extension due to not satisfying the compulsory publication criteria. The detailed result analysis is attached as Annexure-10.1-A and the list of M Tech and MBA passed out students is attached for approval as Annexure-10.1-B | <b>Director,<br/>Board of<br/>Examination<br/>and Evaluation</b> |
| <u>Resolution 10.1</u> | The Board <b>NOTED</b> and <b>RESOLVED</b> to <b>APPROVE</b> the results and list of graduating PG students of the graduating batch 2024-25 (admitted in AY 2023-2024) for both faculty of Engineering and Management.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                  |
| <u>Agenda 10.2</u>     | <b>To approve the topper’s list of various specializations of the PG graduating batch of AY: -2024-25.</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                  |
|                        | The M. Tech and MBA students admitted in the Academic Year 2023-24 in various specializations are graduating in the Academic Year 2024-25. As per the approved norms of Board of Examination and Evaluations of selection of topper as “only when the number of admissions to the concerned program is greater than or equal to 50% of the sanctioned intake, the topper is being selected from the passing out students”. For each eligible program, the student with the highest CGPA is recognized as the topper. Accordingly, 17 toppers have been identified from total 26 MTech specializations and 02 MBA specializations, also, the <b>Rank Certificates</b> are being awarded to them during the convocation ceremony scheduled on 29th August 2025. The detailed list of toppers is attached as Annexure -10.2                                                                                                                                 |                                                                  |

|                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                      |

| <b><u>Resolution 10.2</u></b> | The Board members <b>NOTED</b> the criteria for selection of the toppers and <b>RESOLVED</b> to <b>APPROVE</b> the topper's list of various specializations of the PG graduating batch of AY: 2024-25.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | <b>Director,<br/>Board of<br/>Examination<br/>and<br/>Evaluation</b> |
|                               | <b>Any other point</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                      |
| <b><u>Agenda 10.3</u></b>     | <b>To approve award of Postgraduate Degrees to 25 additional MTech. Students.</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                      |
|                               | <p>A total of 363 students were registered for various specializations of the M.Tech. programs during the academic year. Out of these, 271 students successfully completed the program requirements within the stipulated time period.</p> <p>An extension was granted to 35 students who were unable to meet the compulsory publication criterion within the regular duration of the program. Departments were instructed to submit a list of graduating students by 18th August 2025, the list of students from this group who had fulfilled all the necessary criteria for the award of the degree.</p> <p>As per the communication received from the Director, Examination and Evaluation, 25 out of the 35 students granted extensions have subsequently completed all academic and publication requirements within extended time frame. Their results were declared before the given deadline, thereby making them eligible for the award of the MTech. degree.</p> <p>The detailed list is attached as Annexure -10.3</p> <p>This agenda item was circulated to the members of the Board of Governance over email on 28th August 2025.</p> |                                                                      |
| <b><u>Resolution 10.3</u></b> | The Board members, over circulation through email <b>RESOLVED</b> to <b>APPROVE</b> the award of Postgraduate degrees to the additional 25 MTech. students, as recommended by the Director, Examination and Evaluation, and that their names be included in the list of graduates for the convocation ceremony.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                      |

The meeting concluded with thanks to the Chair.

  
 (Dr. D. N. Sonawane)  
 Registrar, Member Secretary

### PG Topper List

The topper list of each PG-specialization graduating in A.Y. 2024-25 for both faculty: Engineering and Management

| Sr. No | PRN NO    | Name of Student               | Branch Name - Specialization                                    | CGPA |
|--------|-----------|-------------------------------|-----------------------------------------------------------------|------|
| 1      | 712320019 | Suryakant Amoghasiddha Gunde  | Civil Engineering (Construction Management)                     | 9.34 |
| 2      | 712396015 | Vaishnavi Anil Dhote          | Civil Engineering (Environmental & Water Resources Engineering) | 9.13 |
| 3      | 712321007 | Priyanka Chhagan Late         | Civil Engineering (Geotechnical Engineering)                    | 8.57 |
| 4      | 712319020 | Vijapure Junaid Zakir Hussain | Civil Engineering (Structural Engineering)                      | 9.03 |
| 5      | 712388019 | Sutar Yogesh Dnyaneshwar      | Civil Engineering (Transportation Engineering)                  | 8.82 |
| 6      | 712322018 | Sushrut Baban Kadam           | Computer Engineering (Computer Engineering)                     | 9.29 |
| 7      | 712351006 | Prabhav Thali                 | Computer Engineering (Cyber Security)                           | 8.68 |
| 8      | 712352034 | Sammed Arun Patil             | Computer Engineering (Data Science)                             | 9.51 |
| 9      | 712342003 | Babhulgaonkar Madhura Vinay   | Computer Engineering (Information Security)                     | 9.49 |
| 10     | 712335007 | Ghatol Prasad Narayan         | Electronics Engineering (VLSI and Embedded System)              | 9.09 |
| 11     | 712395004 | Gorde Kanchan Sanjay          | Automotive Technology                                           | 9.49 |
| 12     | 712324001 | Adhav Akshay Kalidas          | Mechanical Engineering (Design Engineering)                     | 9.82 |
| 13     | 712394001 | Jeevan Jayantrao Bandal       | Mechatronics                                                    | 8.74 |
| 14     | 712399008 | Khole Omkar Kishor            | Robotics and Artificial Intelligence                            | 9.29 |
| 15     | 722318031 | Ubale Suraj Nanasaheb         | Town & Country Planning                                         | 9.13 |
| 16     | 732392024 | Gidde Akshay Namdeo           | Business Analytics                                              | 9.24 |
| 17     | 732391017 | Khandelwal Aryan Mahesh       | General Management                                              | 9.48 |
