## 27th NOSPlan convention

### **Proud Moment for COEP Technological University**

Our students made us immensely proud at the XXVII NOSPlan Annual Convention – “DRISHTI 2026”, held at Parul University, Vadodara (19–21 January 2026), one of India’s largest national platforms for planning students, organized in collaboration with the Institute of Town Planners, India (ITPI). With participation from nearly 1500 students from across the country, the convention was a celebration of academic excellence, creativity, and professional exchange. Amidst this highly competitive national forum, COEP’s Department of Planning stood out with outstanding performances across multiple categories.

#### Our Achievements at DRISHTI 2026

- 1 1st Prize – Drama
- 2 2nd Prize – Sheet Pin-Up
- 2 2nd Prize – Short Film
- 2 2nd Prize – Research Article
- 2 2nd Prize – Overall Publication
- 3 3rd Prize – Volleyball
- 3 3rd Prize – Music
- 3 3rd Prize – Overall Entertainment

These accolades reflect not just academic strength, but also the creativity, teamwork, leadership, and holistic development that COEP nurtures in its planning students.

Congratulations to all the students and faculty mentor Ms Tanika Shinde and Ms Salimah Hasnah who made this achievement possible and brought national recognition to our institution.

Here’s to many more milestones in shaping the planners of tomorrow!
