COEP\_TECH: Registrar Office/ANRF-PAIR Projects/Recruitment/March 2026/

Date: 16/03/2026

## **Detailed Advertisement for the project positions under the ANRF-PAIR project**

### **IIT-B COEP-TU Hub-Spoke model (RP/2025/COEPTech/SSM\_others/34 dt. 09/12/2025)**

Established in the year 1854, College of Engineering Pune (COEP) is the third oldest engineering institution in Asia, having glorious legacy of 170 years. COEP was bestowed with the status of “Unitary Technological Public University” in June 2022. It is now functional as COEP Technological University (COEP Tech). To reinforce the teaching, learning and research excellence at COEP Technological University, applications are invited for temporary Project Positions under the ANRF-PAIR Hub-Spoke model in collaboration with IIT Bombay. For more information about the project visit <https://anrfonline.in/ANRF/PAIR?HomePage=New>

**Last date of receiving application through Registered post/ courier or via Speed post: 15<sup>th</sup> April 2026**

#### **Summary of the Project titles, Research Positions, Qualification, Experience and Emoluments:**

Project UID No.	Project Title	Post Code (No. of Post)	Essential Qualification	Desirable Experience	Job Description & Responsibilities	Monthly Emoluments as per ANRF norms
01	Development of a Switched Reluctance Motor and Permanent Magnet Assisted Synchronous	01/RA-1 (No. of Post: 1)	Ph. D. completed/ nearing completion in Electrical / Electrical and Electronics / Instrumentation / Electronics engineering with quality publications OR	<ul style="list-style-type: none"><li>Proficiency in embedded systems and familiarity with various development platforms is essential.</li><li>Significant experience in dynamic modelling, simulation, and analysis of power electronics and electric machines/electromechanical</li></ul>	<ul style="list-style-type: none"><li>Design, prototype and execute experiments to validate PMA synchronous Reluctance motor and Switched reluctance motor.</li></ul>	Initially for 1 year (Extendable up to 4 years subject to satisfactory performance and fund availability). Year 1 to 5: ₹

**Candidates who do not meet the mandatory NET/GATE or equivalent qualifications for JRF/SRF positions may be considered for an appropriate lower designation. In such instances, designation and emoluments will be governed by the prevailing institutional and funding agency guidelines.**

Candidates must apply in the prescribed **Application form** available on COEP Technological University website "[www.coeptech.ac.in](http://www.coeptech.ac.in)" under "**Careers**" tab.

## Other Terms and Conditions

1. All positions are purely temporary in nature and are co-terminus with the ANRF-PAIR Project (2025–2030) or until completion of the project, or as per availability of funds.
2. These appointments do not confer any right to regular or permanent employment at COEP Technological University, Pune.
3. The post shall be treated as *non-vacational*, as applicable, in accordance with the norms of COEP Technological University and ANRF.
4. The appointment order shall be issued only after due vetting and approval by the competent legal authority of COEP Technological University.
