#### Instructions:

1. Students should be seated in the Examination Hall 15 minutes before the Examination.
2. Only exceptional cases will be allowed to enter Examination Hall during first 30 minutes.
3. No students will be allowed to enter the Examination Hall after 30 minutes from the commencement of the Examination.
4. Students cannot leave the Examination Hall during last 30 minutes of the Examination even if they have completed the paper.
5. During the period of Examination, students will not be permitted to leave the Examination Hall for any reason.
6. I- Card/ Exam Hall Ticket is compulsory in Exam Hall. any student found without I- Card /Exam Hall Ticket will be fined.
7. Mobile phones in any condition Vibration/Silent/Switch off are strictly not allowed. Mobile should be kept in the bag in switched off mode. any one found with mobile will be fined.
8. Exchange/Sharing of any stationary and calculators is not allowed.
9. Writing on Question Paper is strictly Prohibited.
10. Students should follow all above instruction Scrupulously. Violation may lead to heavy penalization including expulsion from Exam.
- 11.Only non-Programmable Calculators are allowed during Examinations.
12. Only writing material/Exam related material allowed inside Examination Hall.

#### Instructions:

- Students should be seated in the Examination Hall 15 minutes before the Examination.
- Only exceptional cases will be allowed to enter Examination Hall during first 30 minutes.
- No students will be allowed to enter the Examination Hall after 30 minutes from the commencement of the Examination.
- Students cannot leave the Examination Hall during last 30 minutes of the Examination even if they have completed the paper
- During the period of Examination, students will not be permitted to leave the Examination Hall for any reason.
- I- Card/ Exam Hall Ticket is compulsory in Exam Hall. any student found without I- Card /Exam Hall Ticket will be fined.
- Mobile phones in any condition Vibration/Silent/Switch off are strictly not allowed. Mobile should be kept in the bag in switched off mode. any one found with mobile will be fined.
- Exchange/Sharing of any stationary and calculators is not allowed.
- Writing on Question Paper is strictly Prohibited.
- Students should follow all above instruction Scrupulously. Violation may lead to heavy penalization including expulsion from Exam.
- Only non-Programmable Calculators are allowed during Examinations.
- Only writing material/Exam related material allowed inside Examination Hall.

#### Instructions:

1. Students should be seated in the Examination Hall 15 minutes before the Examination.
2. Only exceptional cases will be allowed to enter Examination Hall during first 30 minutes.
3. No students will be allowed to enter the Examination Hall after 30 minutes from the commencement of the Examination.
4. Students cannot leave the Examination Hall during last 30 minutes of the Examination even if they have completed the paper
5. During the period of Examination, students will not be permitted to leave the Examination Hall for any reason.
6. I- Card/ Exam Hall Ticket is compulsory in Exam Hall. any student found without I- Card /Exam Hall Ticket will be fined.
7. Mobile phones in any condition Vibration/Silent/Switch off are strictly not allowed. Mobile should be kept in the bag in switched off mode. any one found with mobile will be fined.
8. Exchange/Sharing of any stationary and calculators is not allowed.
9. Writing on Question Paper is strictly Prohibited.
10. Students should follow all above instruction Scrupulously. Violation may lead to heavy penalization including expulsion from Exam.
- 11.Only non-Programmable Calculators are allowed during Examinations.
12. Only writing material/Exam related material allowed inside Examination Hall.

#### Instructions:

- Students should be seated in the Examination Hall 15 minutes before the Examination.
- Only exceptional cases will be allowed to enter Examination Hall during first 30 minutes.
- No students will be allowed to enter the Examination Hall after 30 minutes from the commencement of the Examination.
- Students cannot leave the Examination Hall during last 30 minutes of the Examination even if they have completed the paper
- During the period of Examination, students will not be permitted to leave the Examination Hall for any reason.
- I- Card/ Exam Hall Ticket is compulsory in Exam Hall. Any student found without I- Card /Exam Hall Ticket will be fined.
- Mobile phones in any condition Vibration/Silent/Switch off are strictly not allowed. Mobile should be kept in the bag in switched off mode. Any one found with mobile will be fined.
- Exchange/Sharing of any stationary and calculators is not allowed.
- Writing on Question Paper is strictly Prohibited.
- Students should follow all above instruction Scrupulously. Violation may lead to heavy penalization including expulsion from Exam.
- Only non-Programmable Calculators are allowed during Examinations.
- Only writing material/Exam related material allowed inside Examination Hall.

## MID Semester Examination

### Time -Table

Semester- VII

Direct Second Year (Working Professionals)

2026-27

| Date                   | 03rd Sept 2026          | 4th Sept 2026                      | 5th Sept 2026     | 7th Sept 2026                                   | 8th Sept 2026          | 9th Sept 2026        |
|------------------------|-------------------------|------------------------------------|-------------------|-------------------------------------------------|------------------------|----------------------|
| Day                    | Thursday                | Friday                             | Saturday          | Monday                                          | Tuesday                | Wednesday            |
| Time                   | 04.00pm-5.30pm          | 04.00pm-5.30pm                     | 04.00pm-5.30pm    | 04.00pm-5.30pm                                  | 04.00pm-5.30pm         | 04.00pm-5.30pm       |
| Mechanical Engineering | Vibration and Acoustics | Refrigeration and Air Conditioning | Energy Conversion | Industrial Engineering and Operational Research | Additive Manufacturing | Research Methodology |
| VENUE                  | NC 20                   | NC 20                              | NC 20             | NC 20                                           | NC 20                  | NC 20                |

#### Instructions:

1. Students should be seated in the Examination Hall 15 minutes before the Examination.
2. Only exceptional cases will be allowed to enter Examination Hall during first 30 minutes.
3. No students will be allowed to enter the Examination Hall after 30 minutes from the commencement of the Examination.
4. Students cannot leave the Examination Hall during last 30 minutes of the Examination even if they have completed the paper
5. During the period of Examination, students will not be permitted to leave the Examination Hall for any reason.
6. I- Card/ Exam Hall Ticket is compulsory in Exam Hall. any student found without I- Card /Exam Hall Ticket will be fined.
7. Mobile phones in any condition Vibration/Silent/Switch off are strictly not allowed. Mobile should be kept in the bag in switched off mode. any one found with mobile will be fined.
8. Exchange/Sharing of any stationary and calculators is not allowed.
9. Writing on Question Paper is strictly Prohibited.
10. Students should follow all above instruction Scrupulously. Violation may lead to heavy penalization including expulsion from Exam.
11. Only non-Programmable Calculators are allowed during Examinations.
12. Only writing material/Exam related material allowed inside Examination Hall.

Director

Board of Examinations and Evaluation Cell

## COEP TECHNOLOGICAL UNIVERSITY (COEP Tech)

A Unitary Public University of Government of Maharashtra  
(Formerly College of Engineering Pune (COEP))

**MID SEM EXAMINATION (DATE : 03/09/2026 Time 11.00am -12.30pm)**

### SEATING ARRANGEMENT FOR S.Y.B.TECH IN OPEN ELECTIVE COURSE

| Course Offered                                      | Course Name                                   | Venue                                                           |
|-----------------------------------------------------|-----------------------------------------------|-----------------------------------------------------------------|
| Civil Engineering                                   | International Standards                       | Room No: NC 05, NC 06, NC 07, NC 08,NC 13,NC14,(AC) NC16 -Civil |
| Computer Engineering and Information Technology     | Data Analytics                                | Room No: NC09,NC10,NC11,NC12 (AC) NC27,NC28 (Computer)          |
| Electronics and TeleCommunication Engineering       | Microcontrollers and Interfacing              | Room No: NC 01, NC 02, NC 03, NC 04 (AC)                        |
| Instrumentation and Control Engineering             | Sensors and Actuators                         | Room No: NC 01, NC 02, NC 03, NC 04 (AC)                        |
| Manufacturing Engineering and Industrial Management | Production Process & Metrology                | Room No: SC01,SC02,SC03,ST06 (Electrical)                       |
| Mathematics                                         | Numerical Methods                             | Room No: NC 05, NC 06, NC 07, NC 08,NC 13,NC14 (AC)             |
| Mechanical Engineering                              | Computer-Aided 3d Geometric Modeling          | Room No: ND-01-1,ND-01-2 ,NC-18,NC19 (Mechanical)               |
| Metallurgy and Material Science                     | Device Materials                              | Room No : SC14,SC15,SC16 (Metallurgy)                           |
| Planning                                            | Geo-Informatics                               | Room No: NC09,NC10,NC11,NC12 (AC)                               |
| Electrical Engineering                              | Electrical Machines and Drives Backlog Course | Room No -SC03                                                   |
| Mathematics                                         | Calculus Backlog Course                       | Room No -NC14                                                   |

## COEP TECHNOLOGICAL UNIVERSITY (COEP Tech)

A Unitary Public University of Government of Maharashtra  
(Formerly College of Engineering Pune (COEP))

**MID SEM EXAMINATION (DATE : 08/09/2026 Time: 11.00am -12.30pm)**

### SEATING ARRANGEMENT FOR S.Y.B.TECH in Language

| Course Offered  | Course Name       | Venue                                                      |
|-----------------|-------------------|------------------------------------------------------------|
| Applied Science | Sanskrit Language | Room No: NC13,NC,14                                        |
|                 | Spanish Language  | Room No: NC01,NC02,NC03,NC04                               |
|                 | German Language   | Room No: NC01,NC02,NC03,NC04,NC05,NC06,NC07,NC08,NC11,NC12 |
|                 | French Language   | Room No: NC 22,NC23 (E&TC)                                 |
|                 | Japanese Language | Room No: NC05,NC06,NC07,NC08                               |
|                 | Marathi Language  | Room No: NC09                                              |

## COEP TECHNOLOGICAL UNIVERSITY (COEP Tech)

A Unitary Public University of Government of Maharashtra  
(Formerly College of Engineering Pune (COEP))

**MID SEM EXAMINATION (DATE : 09/09/2026 Time: 11.00am -12.30pm)**

### SEATING ARRANGEMENT FOR S.Y.B.TECH IN HONORS & MINOR

| Course Offered                                  | Course Name                           | Venue              |
|-------------------------------------------------|---------------------------------------|--------------------|
| Computer Engineering and Information Technology | Making Sense of Data                  | Room No: NC01,NC02 |
| Computer Engineering and Information Technology | Fundamentals of Software Engineering  | Room No: NC 04     |
| Mechanical Engineering                          | Design for Manufacturing and Assembly | Room No: NC 04     |
| Metallurgy and Material Science                 | ME - Modelling and Simulation         | Room No: NC 03     |

## COEP TECHNOLOGICAL UNIVERSITY (COEP Tech)

A Unitary Public University of Government of Maharashtra  
(Formerly College of Engineering Pune (COEP))

MID SEM EXAMINATION (Date :03/09/2026 Time : 01.30pm-3.00pm )

### SEATING ARRANGEMENT FOR T.Y.B.TECH OPEN ELECTIVE COURSE

| Course Offered                                      | Course Name                            | Venue                                           |
|-----------------------------------------------------|----------------------------------------|-------------------------------------------------|
| Civil Engineering                                   | Environmental Pollution + Backlog      | Room No:NC01,NC02,NC03,NC04,NC05,NC06,NC07 (AC) |
| Computer Engineering and Information Technology     | Fundamentals of Machine Learning       | Room No:NC01,NC02,NC03,NC04,NC05,NC06 (AC)      |
| Electrical Engineering                              | Electric Vehicle Technology            | Room No: NC11,NC12,NC13,NC14 (AC)               |
| Electronics and TeleCommunication Engineering       | IoT and Edge Computing                 | Room No: NC11,NC12,NC13,NC14 (AC)               |
| Instrumentation and Control Engineering             | Industrial Automation                  | Room No :NC09 NC 10 (AC)                        |
| Manufacturing Engineering and Industrial Management | Operation Research + Backlog           | Room No :SC01,SC02,SC03 (Electrical)            |
| Mechanical Engineering                              | Introduction to Aircraft Systems       | Room No :ND01,ND02, NC18 (Mechanical)           |
| Metallurgy and Material Science                     | Materials and Processes for e-Mobility | Room No :SC15,SC 16 (Metallurgy)                |
| Planning                                            | Urban Development                      | Room No :NC 09 NC10,NC07 (AC)                   |

## COEP TECHNOLOGICAL UNIVERSITY (COEP Tech)

A Unitary Public University of Government of Maharashtra  
(Formerly College of Engineering Pune (COEP))

MID SEM EXAMINATION (Date :09/09/2026 Time : 01.30pm-3.00pm )

### SEATING ARRANGEMENT FOR T.Y.B.TECH in Multidisciplinary Minor (MDM)

| Course Offered                                      | Course Name                                       | Venue                                   |
|-----------------------------------------------------|---------------------------------------------------|-----------------------------------------|
| Applied Science                                     | Behaviour at Workplace and Performance Management | Room No: NC01,NC02 (AC)                 |
| Applied Science                                     | Economics                                         | Room No: NC01,NC02,NC03 (AC)            |
| Applied Science                                     | Idea to Venture Creation                          | Room No: NC03 (AC)                      |
| Civil Engineering                                   | Green Buildings                                   | Room No: CDH1 (Civil)                   |
| Computer Engineering and Information Technology     | Object Oriented Programming                       | Room No: NC04,NC05,NC06,NC07 (AC)       |
| Computer Engineering and Information Technology     | Introduction to Quantum Computing                 | Room No: NC12,NC13 (AC)                 |
| Computer Engineering and Information Technology     | Machine Learning and Deep Learning Mastery        | Room No: NC04,NC05,NC06,NC07,NC08 (AC)  |
| Electrical Engineering                              | Energy Resources, Economics and Environment       | Room No: SC01,SC03 (Electrical)         |
| Instrumentation and Control Engineering             | Information Technology Act                        | Room No: NC-15,NS02 (Instru)            |
| Management                                          | Numerical Methods in Finance                      | Room No: NC09,NC10,NC11 (AC)            |
| Management                                          | Financial Markets, Instruments and Global Markets | Room No: NC12, NC13,NC14 (AC)           |
| Management                                          | Inventory & Distribution Strategies               | Room No: NC09 NC10,NC14 (AC)            |
| Manufacturing Engineering and Industrial Management | Sales and Distribution                            | Room No: SC11,SC12,SC10 (Manufacturing) |

## COEP TECHNOLOGICAL UNIVERSITY (COEP Tech)

A Unitary Public University of Government of Maharashtra  
(Formerly College of Engineering Pune (COEP))

MID SEM EXAMINATION (Date : 08/09/2026 Time : 4.00pm TO 5.30pm )

### SEATING ARRANGEMENT FOR B.TECH IN Multidisciplinary Minor (MDM)

| Course Offered                                      | Course Name                                                   | Venue                                      |
|-----------------------------------------------------|---------------------------------------------------------------|--------------------------------------------|
| Applied Science                                     | Research Project in IAPE                                      | Room No: NC23 (E&TC)                       |
| Applied Science                                     | History of Economic Thought                                   | Room No: NC01,NC02 (AC)                    |
| Applied Science                                     | Japanese Intermediate/Japanese                                | Room No: NC09 (AC)                         |
| Civil Engineering                                   | Remote Sensing and GIS                                        | Room No: NC03,NC04 (AC)                    |
| Computer Engineering and Information Technology     | Data Science and Project                                      | Room No: NC05,NC06,NC07,NC08 (AC)          |
| Computer Engineering and Information Technology     | Large Language Models Theory and Deployment, Capstone Project | Room No: NC27,NC28 (Computer New Building) |
| Computer Engineering and Information Technology     | Quantum Programming & Project                                 | Room No: NC06,NC07,NC08 (AC)               |
| Electrical Engineering                              | Multidisciplinary Project                                     | Room No:SC01,SC03 (Electrical )            |
| Electronics and TeleCommunication Engineering       | Artificial Intelligence – Basic Concepts                      | Room No:NC22 (E&TC)                        |
| Electronics and TeleCommunication Engineering       | National and International standards in AI                    | Room No:NC22 (E&TC)                        |
| Management                                          | Minor Project in BFSI                                         | Room No:NC11,NC12,NC13,NC14 (AC)           |
| Management                                          | Minor Project in SCM                                          | Room No:NC09, NC10 (AC)                    |
| Management                                          | Financial Markets and Trading Platforms                       | Room No:NC11,NC12,NC13,NC14 (AC)           |
| Manufacturing Engineering and Industrial Management | SAP Production Planning                                       | Room No:NC10 (AC)                          |
| Planning                                            | Urban Mobility                                                | Room No:NC 16 (Civil) Applied Mechancis    |
